As people upgrade from the still very common Windows XP to Vista or higher (and Macs to 10.5 or higher), these problems willÂ. of our country, know some of the very sad consequences that have been visited on Africans since the British received independence. Famine in Bengal, the Bengal famine of 1943, resulted in the deaths of an estimated two-and-a-half million people, mostly those who had not had any grain in the preceding two years. [...] Another economic disaster of the same period occurred in Mexico in 1945 and killed one-fourth of the population [...]" In India, Prime Minister Jawaharlal Nehru publicly stated that "Indians and Africans are like two wings of the same bird. They must never be torn apart and the relation between them must be full of understanding and respect". Mahatma Gandhi noted the similarities between Africans and Indians, saying that "at least we can assume that Indians are similar to Africans. We feel that we share a common past in the battle of civilisations." President of Nigeria, Abubakar Tafawa Balewa, in a speech to the Economic Community of West African States (ECOWAS) ministers of economics, emphasised the need for 50b96ab0b6
